Go & Vote - August 2nd - Vote Republican!

Seventy-one members and guests were present at our July meeting. That is great! We ran out of big plates, forks and napkins. But we did have bowls, small plates and tore sheets off of a roll of paper towels. Thanks again to everyone who brought a dish to the meeting. Everyone seems to enjoy the salads and desserts so we are going to keep doing that for the time being. Members and associates who are attending but unable to bring a dish needs to donate some change to the club so we can purchase plates, napkins, cups and forks.

Candidates you did a great job with your speeches. I was very impressed. Many of you told me you did not think you would be able to stand up in front of everyone and give a speech. But all of you did great!

I do want to wish everyone the best of luck on August 2. There will only be one winner on August 2 or August 23 if a runoff is necessary. The Republican Party is fixing to take the political road by storm. I hope everyone stays with us. The trip is just beginning. 2012 will be an exciting election year as well.

August Meeting-Celebration

The August Monthly Meeting will be a time for celebration for those candidates that won their elections on August 2. We will be meeting on the night of the runoff election, if one is needed. I hope everyone will be in attendance so we can make plans to kick into high gear for the November election. Everyone that attends is asked to bring their choice of salad or dessert. You choose. We will be meeting at the Columbia Country Club at 6:00 p.m. Hope to see you there.

Susan B. Anthony List

The Susan B. Anthony List is a network of over 280,000 members nationwide. Our organization works at the nerve center of the pro-life movement and the political process. Our five-point mission reflects a renewed strategy to save lives and change the course of history.

1. **Elect** to Congress more pro-life women, and help pro-life men defeat pro-choice women, through our SBA list Candidate Fund.
2. **Educate** voters on critical issues and key votes in Congress.
3. **Train and equip** pro-life activists nationwide to run successful political and grassroots campaigns.
4. **Promote** Life in traditional and new media to dispel myths and distortions spread by the abortion lobby.
5. **Advocate** the passage of pro-life legislation in Congress by educating legislators and mobilizing citizen lobbyists.

What can you do! Everyday pro-life activists across America are making their voice heard through our political system. Here are 4 ways you can make a difference:

1. **Run for Office.** Consider whether you are called to use your talents in the public sphere. From School Board to President, we need pro-lifers in office!
2. **Contact Congress.** Your elected representatives need to hear from pro-life citizens like you when key votes come up.
3. **Help Elect Pro-Life Candidates.** Donate time, money and prayers to pro-life candidates. Your help is critical to ensuring innocent lives are protected under local, state and federal laws.
4. **Speak Out.** Whether through blogging, YouTube videos, Facebook Updates, letters to the editor or good old-fashioned discussion, we need you to step up and spread the pro-life word to your friends and neighbors.

Founded in 1992, the SBA List has helped elect over 30 pro-life women to Congress. They have taken the fight to Planned Parenthood, defended children with special needs and fought against taxpayer-funded abortion. Courageous women leaders Susan B. Anthony and Elizabeth Cady Stanton recognized that authentic women's rights could never be built upon the broken rights of innocent unborn children. They believed that abortion was just a tool of oppression used against women. Today the SBA List honors their legacy by advancing the voice of pro-life women in our political process. Visit their website at www.sba-list.org.

"We've been blessed with the opportunity to stand for something-for liberty and freedom and fairness. And these are things worth fighting for, worth devoting our lives to."

-Ronald Reagan

T-Shirt Quilt

Last call for the opportunity to have your campaign t-shirt added to the MCRW quilt that will be sewn by Melissa White Jordan. One side will have those candidates running for a state office (I have 5) and the other side will be of our local candidates (I have 1). This quilt will be raffled off as part of our fund raiser. Please contact me if you would like to add yours. The picture to the left shows the quilt I had Melissa do for me with all of the political t-shirts I had. This will be a memorable quilt that can be handed down from one generation to another.

Tanya Holland's Broccoli-Coleslaw Salad Recipe

Ingredients

1-16 oz. pkg. Coleslaw mix-No Carrots

1-2 Bags of chopped up Broccoli (Can use 1 head and just chop it up)

1 cup slivered almonds

1 cup sunflower seeds

2 pkgs. Beef Ramon noodles crushed

1st- This is for the dressing mix to pour over salad. Combine the 2 beef seasoning pkgs. from the noodles with $\frac{3}{4}$ veg. oil, $\frac{1}{4}$ cup apple cider vinegar & $\frac{1}{2}$ cup sugar. Mix this up real good. Put in refrigerator as you prepare other ingredients.

2nd-Mix Coleslaw, broccoli, almonds & sunflowers all together. Pour liquid mixture into slaw-broccoli mixture and stir real good.

I add the Ramon noodles last. If I make it up way ahead of time, I put the almonds, sunflower seeds and Ramon noodles in just before eating it. Especially the Ramon noodles. You don't want them soggy. I have mixed the slaw and broccoli together the night before and then added the other stuff for the next day.

If I am serving a large group, I double the recipe. You just add as much broccoli as you see needed.

On the November Ballot

Initiative #26 would amend the Mississippi Constitution to define the word 'person' or 'persons', as those terms are used in Article III of the state constitution, to include every human being from the moment of fertilization, cloning or the functional equivalent thereof.
